This spectacular architectural creation is the result of meticulous design that incorporates layers of wood, glass and concrete. The building is comprised of spacious 3 and 2 bedroom apartments, allocated over 4 floors. The top floor apartments have spacious roof gardens. The building is situated in a quiet neighbourhood and yet with easy access to the centre of Nicosia. Very high specifications and high standard materials include autonomous petrol heating system, AC units in all areas, solid wood flooring, hidden lightings and many more. In addition to the high standards, this apartment has a large 92 sq.m. garden located at the ground floor via a staircase situated on its veranda.
