High-end specifications top floor with roof garden 3 bedroom apartment in Engomi This high end specifications apartment is being developed in the most exclusive residential area of Engomi, Mont Parnas Hill, Nicosia. The building consists of luxury one, two and three bedroom apartments, and a whole- floor penthouse with a private roof terrace at the top of the building. The building enjoys the openness and quietness of the area, but yet has direct access to main arteries of Engomi and the city, and with close proximity to key locations such as the University of Nicosia Campus. The architecture allows for eight spacious apartments with clear internal spaces and large verandas, with sliding glass screens that unify the interior spaces with the exterior. High-end specifications fo...
