This fully renovated building that located in the center of the town is now available for rent. The building has two shops on the ground floor and one floor offices but there is a possibility to build another one floor and the owner is flexible to do it if someone need it. The ground floor shop has internal area of 150sqm with a small kitchen and toilets and the first floor has internal area of 150sqm. The owner didn't put the floors yet because he want the tenant to choose it as he like but the owner will put it with his money. The building has 3 parking spaces in the basement, more than five outside to it and opposite to it there is a big parking. The building is also available for rent separate, for example only the office without the shop or the shop without the offices. Now avail...
